

PLIPDECO Celebrates 45 Years

“When we become more fully aware that our success is due in large measure to the loyalty, helpfulness, and encouragement we have received from others, our desire grows to pass on similar gifts. Gratitude spurs us on to prove ourselves worthy of what others have done for us. The spirit of gratitude is a powerful energizer.”

— Wilfred A. Peterson

The Board and Management of The Point Lisas Industrial Port Development Corporation Limited (PLIPDECO) will like to sincerely thank all stakeholders who have helped us become what we are today. From a stretched vision, PLIPDECO is now the largest energy-based industrial estate in the region and one of the leading container and general cargo ports in the country. This could only have been achieved through hard work, a commitment to customer service and community, and adherence to the highest standards in all aspects of our business. Our promise to you is that we will continue to seek new ways to bring value to our shores and pursue excellence that will be recognized globally.

This 45th Anniversary celebration is as much yours as it is ours. Join us in celebration.
