

Congratulations to our Management Team

The Board of Directors of PLIPDECO wish to extend congratulations to the members of our Management Team who have successfully completed the Master of Port and Maritime Management Programme (Cohort One) at the Arthur Lok Jack Graduate School of Business.

We extend special congratulations to **Mrs. Linda Nedd-Warrick**, Chief Internal Auditor, who received the **Top Student Award** in this programme.

*Mrs. Nedd-Warrick receives the Top Student Award from
Lecturer Zameer Mohammed.*

The Corporation has made a firm commitment to training and development of its staff and has sought to collaborate with educational and other training institutions for the development of relevant programmes. The Master of Maritime Management Programme was initially developed by the Arthur Lok Jack Graduate School of Business in collaboration with PLIPDECO.
