

NOTICE 19–2023: REQUIREMENTS FOR HAULIERS TO PRESENT VALID CERTIFICATES OF CHARACTER

June 1st, 2023

The Point Lisas Industrial Port Development Corporation Limited (PLIPDECO) wishes to advise that effective **Monday July 10th, 2023** the Corporation shall resume the mandatory requirement for **ALL** Truck Drivers entering the Port of Point Lisas to present a valid Certificate of Character no older than six (6) months.

This requirement was suspended by PLIPDECO due to the temporary cessation by the Trinidad and Tobago Police Service (TTPS) of issuance of Certificates of Character.

Do note that this requirement does not apply to hauliers that are already in possession of a gate pass. It will however be a requirement for renewal of those passes upon their expiration.

Please be advised that any driver who fails to provide a current Certificate of Character after July 10th, 2023 shall not be issued with a gate pass.

We thank you for your continued support and business as we move forward in ensuring a safe and secure working environment for all stakeholders.

Sincerely,

**Marketing and Business Development Department
PLIPDECO**
