

## NOTICE 44-2023: Temporary Interruption in Network Services at the Port of Point Lisas

November 9<sup>th</sup>, 2023

Subsequent to our Advisory yesterday, please be advised that our IT team is still working to resolve the network issues affecting the Port of Point Lisas.

Please be reminded that the following services are unavailable during this interruption:

- Email at the Port Complex
- SMS Bulk Messaging
- Web Access
- CONEQ Online System

Please note that Vessel, Yard and Gate operations as well as receiving and delivery of containers are being conducted manually until the issue is resolved.

In the meantime, the undermentioned departments can be contacted as follows:

Department	Land Line 636-2201	Direct Line
Harbour and Marine	Ext. 2071/2072	350-6055
Planning Office	Ext. 2022/2023/2025/2008	-

We regret any inconvenience which may be caused during this time.

Thank you for your patience and co-operation.

Sincerely,

**Marketing and Business Development Department**  
**PLIPDECO**
