

**NOTICE 33-2025: INTERNATIONAL SHIP AND PORT FACILITY SECURITY ANNUAL EXERCISE  
SCHEDULED FOR THURSDAY 18<sup>TH</sup> SEPTEMBER, 2025**

September 11<sup>th</sup>, 2025

The Point Lisas Industrial Port Development Corporation Limited (PLIPDECO) wishes to advise that an International Ship & Port Facility Security (ISPS) exercise will be conducted at the Port of Point Lisas **on Thursday 18<sup>th</sup> September, 2025 at 10:00 a.m.** The annual exercise is mandatory in accordance with the ISPS Code.

1. The exercise is a practical test of our Security Procedures and Emergency Response Plans. It is designed to safeguard all individuals within the facility, ensure compliance with international security regulations, and enhance our ability to respond effectively to potential security threats. The activity will test communication systems, coordination of resources, and multi-agency response protocols.
2. The primary objective is to evaluate the effectiveness of our Port Facility Security Plan (PFSP), reinforce the competency of our security personnel and strengthen overall security and emergency response capabilities in alignment with the ISPS Code.
3. During the exercise, you may observe the active participation of State Agencies as well as security and safety personnel. This may include announcements, controlled access points, and temporary delays in certain areas. Please be assured that this is a **simulation only** and does not represent any actual threat to safety or security.
4. While every effort will be made to minimize disruptions, we kindly request your patience, understanding, and full cooperation. Please adhere to all instructions issued by State Agencies, security, and safety personnel promptly.

For further information or clarification, please contact the Security Department (Shift Supervisor) at **679-7223** or **290-0978**.

Sincerely,

**Marketing and Business Development Department
