

## **NOTICE 40-2025: Request for Assistance - Vessel Questionnaire for IDB Shore Power & Green Fuel Bunkering Readiness Assessment**

October 13<sup>th</sup>, 2025

Please be advised that, as part of PLIPDECO's ongoing commitment to advancing sustainable port operations and supporting the transition to cleaner energy, we are participating in an initiative with the **Inter-American Development Bank (IDB)** to assess the readiness of the Port of Point Lisas for **Shore Power and Green Fuel Bunkering**.

To facilitate this important assessment, we kindly request your assistance in completing the Vessel Questionnaire for all vessels calling at PLIPDECO. The questionnaire can be accessed via the following link:

[https://docs.google.com/forms/d/e/1FAIpQLSe00nC1pJ\\_R1LTnNI2RuFLmoAWDrSk8vT1rhWdiJEMlexgNw/viewform?usp=dialog](https://docs.google.com/forms/d/e/1FAIpQLSe00nC1pJ_R1LTnNI2RuFLmoAWDrSk8vT1rhWdiJEMlexgNw/viewform?usp=dialog)

The information collected will cover, among other areas:

- Operational routes and patterns
- Vessel specifications (technical and operational details)
- Current and future fuelling requirements

This data gathered will be instrumental in ensuring that the study accurately reflects the operational needs of vessels using our port. This, in turn, will guide future investment and infrastructure planning to better serve the shipping community.

We thank you in advance for your cooperation and support in this initiative, which represents an important step toward enhancing the **sustainability, efficiency, and competitiveness** of our port operations.

Sincerely,

**Marketing and Business Development Department  
PLIPDECO**
