

## **NOTICE 31-2016: UPGRADE OF ELECTRICAL SUPPLY – PORT ADMINISTRATIVE BUILDING, PORT OF POINT LISAS**

July 22<sup>nd</sup>, 2016

Please be advised that PLIPDECO will be upgrading the electricity supply to the Port Administrative Building during the period **Saturday 23<sup>rd</sup> and Sunday 24<sup>th</sup> July 2016.**

To facilitate this work, the power supply will be isolated at the building **on Saturday 23<sup>rd</sup> July, 2016 from 7:00 a.m. to 10:00 a.m.** During this planned power outage, the following systems will be unavailable:

- Web Access;
- Marine Proposed Daily Schedule (PDS);
- Outbound Electronic Data Interchange (EDI);
- Private Branch Exchange (PBX); and
- Electronic mail.

The Planning Department can be contacted directly at 679-4515 for any Port operational matters and the Harbour and Marine Department at 636 7678 for Berthing operations. Once the isolation has been completed, it is expected that all systems will be restored using power supply from a generator.

We do apologize for any inconvenience which may be caused during this time. For further information, please contact:

- Mrs. Judy Beepath-Ramjohn, Manager, Estate & Facilities at Mobile: 360-1016 or E-mail: [jbeepath@plipdeco.com](mailto:jbeepath@plipdeco.com).
