

NOTICE 12-2016: Temporary Interruption with the PBX Switchboard System

April 15th, 2016

Please be advised that we are currently experiencing problems with our PBX switchboard and unfortunately cannot receive incoming calls.

TSTT is working expeditiously to correct this issue in the shortest possible time. In the interim, please utilise the following direct telephone lines and mobile numbers to reach our operations personnel.

- Planning - 679-4515
- Harbour & Marine - 636-7678 / Harold Taitt - 310-7833
- Clint Duncan (Manager, Cargo Handling) – 397-3158
- Adrian Alexander (Terminal Operations Supervisor) - 387-2130
- Brian Charles (ATOS) – 387-2133
- PLIPDECO Less Than Container Load (LCL) Warehouse – 679-2935

We regret any inconvenience which may be caused during this time. We shall advise as soon as the matter has been resolved.

Thank you for your patience and co-operation.

Sincerely,

Marketing and Business Development Department
PLIPDECO
