

## NOTICE 18-2016: REHABILITATION AND UPGRADING OF BERTHS 3 & 4 AT THE PORT OF POINT LISAS

---

May 12<sup>th</sup>, 2016

As the Corporation continues with its development plans for improving the port's infrastructure, we wish to advise that rehabilitation and upgrading work at **Berths 3 & 4** at the Port of Point Lisas is scheduled to commence on **May 27<sup>th</sup>, 2016** and will be done in phases over a period not exceeding 10 months.

During this time at least one of Berths 3 or 4 will be available at all times to vessel operations. Kick-off work will commence with Berth 4 which will be unavailable for a period of 3 months. PLIPDECO will undertake to provide monthly updates as the project progresses thereby keeping you updated on progress as well as the expected next steps or phases.

Through efficient scheduling of vessel calls and coordination, the impact on vessel operations should be minimised. Our operational team will also be working closely with customers.

We regret any inconvenience that may be caused, however this work is absolutely necessary at this time to ensure that we can continue providing the level of service that our valued customers expect.

Should you require further information or any clarification on this matter, please contact:
