

NOTICE 33:2016: Temporary Interruption - WebAccess

August 12th, 2016

Please be advised that NAVIS has identified a technical matter with one of its WebAccess customers. They have recommended to all other customers that WebAccess should be shut down until they have rectified the problem.

While NAVIS has not given an estimated timeframe to deal with the situation, we shall keep you updated as information becomes available.

For services that are normally provided via WebAccess, in the interim, you may contact our Planning Office as follows:

- E-mail - tos_agents@plipdeco.com
- Telephone - **PBX No. 636-2201 – Ext. 2258/2259 or Direct Line 679-4515**

We regret any inconvenience which may be caused during this time.

Thank you for your patience and co-operation.

Sincerely,

Marketing and Business Development Department
PLIPDECO
