

**NOTICE 40-2016: Suspended - Delivery and Receipt of Containers ONLY
on Saturday 17th September, 2016**

September 15th, 2016

Further to our previous Notice 38-2016 dated September 9th, 2016 regarding the delivery and receipt of containers and general cargo on Saturdays, please be advised that the service for CONTAINERS will be suspended on **Saturday 17th September, 2016 only**, during the 0700 to 1500 hours. General Cargo operations will remain in effect, as previously indicated.

This suspension has become necessary in order to facilitate the upgrade of Navis Terminal Operating System to N4 during this time. Further details on the upgrade will be provided in a subsequent Notice 41-2016.

We regret any inconvenience caused and thank you for your understanding.

Sincerely,

**Marketing & Business Development Department
