

NOTICE 41-2016: PLIPDECO Launches Upgraded Navis Terminal Operating System – N4

September 15th, 2016

Please be advised that the Port of Point Lisas will be launching its upgraded NAVIS SPARCS N4 Terminal Operating System on **Monday 19th September, 2016**. To facilitate this upgrade, the current NAVIS EXPRESS/SPARCS TOS will not be available from 2300 hours on Friday 16th September, 2016.

In addition, access to the NAVIS TOS EXPRESS/SPARCS system and services such as Web Access, Outbound EDI and 322 messages, will not be available until the conversion is completed. It is expected that all services will be back in operation at 0700 hours on Monday 19th September, 2016. With this upgrade, the Community Access Portal will replace Web Access for Hauliers and other Public Users.

During this period, you may contact the Planning Office at 636-2201 ext. 2258/2259 or 679-4515 for further information.

We thank you for your continued support and cooperation as we continue to improve our operational efficiency for delivering value-added services to our customers and stakeholders.

Sincerely,

**Marketing & Business Development Department
PLIPDECO**
