

## NOTICE 45-2016: Aged Containers at the Port of Point Lisas

---

October 13<sup>th</sup>, 2016

In order to assist our valued customers to retrieve their aged containers that have been in storage at the Port of Point Lisas for six (6) months and over, PLIPDECO took an initiative in 2015 to accept the sum of **US\$1,000.00 plus Value Added Tax** as final payment for storage rent charges per container.

Also, upon Customs and Excise's approval, shipping agents were allowed to ship such containers at a **loading charge of US\$125.00** per container and without incurring additional storage rent at the Port.

Please be advised that effective **Tuesday 1<sup>st</sup> November, 2016** this arrangement will be discontinued and the regular tariff rates will once more become applicable. Therefore, we urge you to consider the highly discounted options stated above for the efficient retrieval of your containers.

Kindly note that aged containers that are in storage at the Port for six (6) months and over will be auctioned if delivery is not taken on or before October 31<sup>st</sup>, 2016.

Please be guided accordingly.

Sincerely,

**Marketing & Business Development Department  
PLIPDECO**
