

NOTICE 49-2016: Processing of Pick-Up Tickets for Empty Chassis – Port of Point Lisas

November 17th, 2016

Please be advised that the Port of Point Lisas has implemented a system for the processing of **Pick-Up Tickets for Trucks entering the Port with Empty Chassis**. This system involves the following:

- 1) The system will be in operation from **Monday to Friday between 0700 to 1500 hours**.
- 2) All Trucks with Empty Chassis seeking to enter the Port during this time, will no longer process Pick-Up Tickets at the Port In-Gate. Truck Drivers will now be required to park their trucks in the Lay-By area and proceed to a **new Delivery/Gate Office**, which is located at the Call-On Center (next to the Customs Office in the Lay-By area).
- 3) The Pick-Up Ticket will be issued by the Gate Clerk at this new location.
- 4) The Pick-Up Ticket will subsequently be checked by the Security Officer at the In-Gate as the Driver proceeds into the Port.

For the 1500 to 2300 hours shift, processing of Pick-Up Tickets will be done at the In-Gate as customary.

We thank you for your co-operation as we continue to improve our operational efficiency for delivering value-added services to stakeholders.

Sincerely,

**Marketing & Business Development Department
PLIPDECO**
