6<sup>th</sup> July 2017

The Manager,

PLIPDECO Warehouse

Sir,

Please be advised that with effect from 10<sup>th</sup> July 2017 all bills of lading and sub delivery orders are required to include the ASYCUDA manifest number.

This has become necessary in order to process documentation in a timely manner. Failure to do so may result in delays with respect to the delivery of the consignee's cargo.

Thank you,
