

NOTICE 14 – 2017: Revision to PLIPDECO's Standard Operating Guidelines and Procedures for Tenants and Users of the Point Lisas Industrial Estate

May 31st, 2017

We refer to PLIPDECO's Standard Operating Guidelines and Procedures for Tenants and Users of the Point Lisas Industrial Estate.

Please be advised that an amendment has been made to Section 2.11 of this document, decreasing the height restriction of vehicles traversing the Estate from 17 feet to 15 feet. The details are as follow:

Section	Description
2.11	<p>2.11 Height Restriction Overhanging lines on the Industrial Estate starts from a height of fifteen (15) feet. No vehicle and/or its overhang must be in excess of fifteen (15) feet when driving through the Industrial Estate. Any lines damaged as a result of a higher overhang must be repaired by the relevant personnel involved in the incident.</p>

Enclosed is the revised version 2.0 for your attention. This document can also be found on our website www.plipdeco.com. We urge you to take note of this important change.
