

NOTICE 38-2017: Assistance to Victims of Recent Hurricanes in the Region

September 21st, 2017

The Point Lisas Industrial Port Development Corporation Limited (PLIPDECO) will be partnering with Tropical Trinidad Agency Unlimited and the Office of Disaster Preparedness and Management (ODPM) to assist in the regional response and relief efforts by the receipt and shipment of items to our Caribbean neighbours who were recently affected by Hurricanes Irma and Maria. These include Anguilla, Barbuda, Dominica, the British Virgin Islands, Haiti, St. Maarten and Turks and Caicos Islands.

The ODPM has communicated with the Caribbean Disaster Emergency Management Agency (CDEMA) who has identified a preliminary list of items needed as identified below. These items should have a minimum shelf life of six (6) months.

Companies participating in this effort should send items packaged and shrink wrapped with a listing of items being sent and addressed to the ODPM. PLIPDECO will facilitate the receipt of these items at our **Warehouse Services Compound (Warehouse No. 6) located on Amazon Drive, Point Lisas Industrial Estate during the hours of 8:00 a.m. to 2:00 p.m.** Monday to Friday. We will commence the receipt of items on **Tuesday 26th September, 2017**. Attached is a location map for our warehouse.

Interested stakeholders can coordinate with the following persons for receiving items.
