

## NOTICE 27-2018: INCLEMENT WEATHER CONDITIONS – PORT OF POINT LISAS

November 15<sup>th</sup>, 2018

Please be advised that due to the inclement weather conditions currently affecting Trinidad and Tobago, cargo handling operations at the Port of Point Lisas have been adversely affected.

The Port is making all attempts to expedite operations where possible; however, delays to vessel operations may be encountered, as well as yard operations for the delivery and receipt of cargo.

We are monitoring the weather conditions and will provide timely updates in due course. In light of the above, we thank you for your understanding and continued support during this time.

Attached, for your information, is a three (3) day Weather Forecast dated November 14<sup>th</sup>, 2018 from the Trinidad and Tobago Meteorological Service (TTMS).
