

NOTICE 26-2018: REVISION TO TARIFF STRUCTURE

November 15th, 2018

Please be advised that effective **January 1st, 2019** there will be a revision to PLIPDECO's current Tariff Structure. This has become necessary as the Corporation seeks to streamline its operations against business costs and to consistently deliver quality port services to our valued customers.

PLIPDECO's last tariff revision was carried out in 2014 and since that time we have continued to make substantial changes and improvements in our business processes together with a phased replacement of ageing container handling equipment and infrastructural improvements without any adjustments to our port rates and charges.

Further investments aimed at improving the level of service are expected to be made in the short to medium term.

The revised tariff can be found on the Corporation's website at www.plipdeco.com.

New charges being implemented can be identified with an asterisk next to the items.

You may contact the following persons should you need any clarification.

- Mr. Clint Duncan at 636-2201 ext. 2257 or via email: cduncan@plipdeco.com
- Ms. Shelly Balkissoon at 636-2201 ext. 3516 or via email: sbalkissoon@plipdeco.com

We thank you for continued support as we seek to continually improve the quality of service to our customers.

Sincerely,

Marketing and Business Development Department
