

NOTICE 14-2018: Completion of the Rehabilitation and Upgrading of Berth 3

July 9th, 2018

Further to our Notice 13-2018 dated July 2nd, 2018, we are pleased to advise that the rehabilitation and upgrading of Berth 3 has been completed. As such, the berth is now available for vessel operations.

We wish to thank you for your support and understanding during the restoration of the berth and apologise for any inconvenience which may have been caused.

Sincerely,

**Marketing and Business Development Department
PLIPDECO**
