

NOTICE 22-2018: Limited Emergency Evacuation Drill at the Port of Point Lisas – Friday 28th September, 2018

September 26th, 2018

As part of our obligation to ensure a safe and healthy work environment for all, PLIPDECO will be conducting a Limited Emergency Evacuation Drill at the Port of Point Lisas on **Friday 28th September, 2018 from 1:00 p.m. to 3:00 p.m.**

The drill seeks to test our emergency communication systems and the Port's evacuation routes. During the drill, no sirens will be sounded and participating persons will be evacuating via the Port's South Gate through the ArcelorMittal site. Port operations will continue as normal with no interruptions.

We apologise for any inconvenience which may be caused, however this initiative is necessary as we seek to evaluate our cohesive response and readiness, as well as to comply with regulatory requirements.

Sincerely,

**Marketing and Business Development Department
PLIPDECO**
