

NOTICE 29-2020: Resumption of Normal Working Hours (0700hrs to 1500hrs) at PLIPDECO's Less Than Container Load (LCL) Warehouse

June 18th, 2020

In accordance with the Government's Phase 4 initiative for the reopening of the country, PLIPDECO's LCL Warehouse has resumed regular working hours of 0700 to 1500hrs. Scheduled appointments and walk-in customers will continue to be facilitated.

Additionally, we would like to take this opportunity to remind you of the following requirements:

- **Masks must be worn to gain entry to the facility and must remain on at all times.**
- Infrared Thermometer testing will be conducted at the Security booth before entering the compound.
- Customers exhibiting flu-like symptoms (coughing, fever and sneezing) would not be allowed to enter the facility.
- Customers are required to practice social distancing by remaining 6 ft apart.
- Sanitization stations must be utilized at the entrance of the compound.
- Customers would also be required to further utilize the facilities provided for sanitizing their hands prior to service.

Sincerely,

**Marketing and Business Development Department
PLIPDECO**
