

NOTICE 30-2020: Resumption of HSE Orientation – Port Users

June 23rd, 2020

Please be advised that PLIPDECO HSE Orientations will resume from July 6th, 2020.

In keeping with our social distancing precautions for COVID-19 (Coronavirus) pandemic, the following guidelines have been implemented:

In-house Sessions

- Sessions are set for Tuesdays and Thursdays at 1000 hours and 1400 hours
- Only six (6) persons will be facilitated per session
- Sessions must be scheduled and confirmed with PLIPDECO's HSE Administrative Assistant at least two days in advance
- Attendees must complete a COVID-19 Screening Form prior to the session
- Persons may be denied entry based on the assessment of the Screening
- Temperature Screening will be conducted prior to entry. Persons with a temperature above 38°C will be denied entry
- Anyone who displays symptoms of COVID-19 will be denied entry
- Masks are required for entry and for the duration of the session
- Attendees must sanitize on entry to the HSE Training Room

Online Sessions

- An online platform will also be utilized for persons with access to **Google Meetings**.
- Online sessions can be facilitated at any time but must be scheduled and confirmed two days in advance
- Instructions for online sessions will be provided when making your appointment.

To make an appoint, please contact Ms. Aanu Maharaj at 636-2201 Ext. 2286 or via email at aamaharj@plipdeco.com. As the pandemic situation evolves, PLIPDECO will continue to adopt the relevant guidance issued by the Government of Trinidad and Tobago.

Sincerely,

Health, Safety and Environment Department
PLIPDECO
