

NOTICE 16-2020: EXTENSION OF RENT FREE DAYS AT THE PORT OF POINT LISAS

March 29th, 2020

Having reviewed the current situation affecting importers and exporters, the Port shall be waiving the storage rent for containers, general cargo and warehouse cargo for the period **March 20th 2020 until April 15th 2020.**

Please note there are no current resource constraints at the Port that would prohibit the movement of containers or cargo to or from the Port and as such the gate operations will continue to be from 0700 hours to 2300 hours Monday to Friday. As the situation is dynamic, notices will be sent out as per standard practices if there are any changes to gate operating hours or further extension of the rent free period.

We look forward to working collectively with the various stakeholders as we navigate a most difficult and challenging time for businesses and the economy.

Sincerely,

**Marketing and Business Development Department
