

NOTICE 28-2021: Spraying of Mosquitoes on June 24th, 2021

June 23rd, 2021

Please be advised that Omega Pest Management will be conducting a spraying exercise to control the spread of mosquitoes at the **Port of Point Lisas** on **June 24th, 2021** from **0530 hours to 0700 hours**.

As a result, the following should be noted:

- The chemical to be used in the spraying exercise is Malathion and is commonly used in vector control. Whilst this chemical is not immediately dangerous in the concentrations used, you are asked to minimize your exposure to same.
- Occupants should remain inside during this exercise in order to minimize their exposure to the chemical. All Air-conditioning Units should be turned off during the exercise.
- The application process generates large amounts of "smoke" like mist.
- If for any reason the chemical is irritating to eyes, skin or nose, please take the following precautions:
 - Eye Contact: Flush with water for 15 minutes.
 - Skin Contact: Wash with soap and water.
 - Inhalation: Relocate to an area where you can access fresh air.
 - Contact HSE at Tel: 636-2201 via Extensions 2286 or 2275.

The date may be subject to change in the event of inclement weather conditions.

Kindly contact the undermentioned departments at **Tel: 636 – 2201**, extensions and emails below should you require additional information:

Department	Extension	Direct Line	E-mail
