

NOTICE 05-2022: Temporary Interruption of Electricity Supply at the Port of Point Lisas on Sunday, February 13th, 2022

February 11th, 2022

Please be advised that the Trinidad and Tobago Electricity Commission (T&TEC) is scheduled to conduct bi-annual maintenance works on high voltage Installations at the Port of Point Lisas.

The exercise is scheduled to commence on **Sunday, February 13th, 2022** during the hours of **0800** hours to **1500** hours and will therefore result in a disruption of the electricity supply to the following locations:

- **All Offices and Accommodations from the Weighbridge to the Port of Point Lisas (excluding the Port Administration Building which will be on a back-up supply)**
- **All tenants/Port Users located at the Port of Point Lisas (including Arawak Trinidad Limited, Savonetta Piers (National Energy) and Ventrin Petroleum Company Limited)**

During this time the undermentioned departments can be contacted as follows:
