

NOTICE 47 - 2022: PLIPDECO's SECURITY SERVICES INCIDENT REPORTING MOBILE APPLICATION "PLIPSECURE"

November 24th, 2022

Subsequent to PLIPDECO's Notice 47-2021, please be advised that the Security Services Incident Reporting Mobile Application "**PLIPSECURE**" is now available on the **Apple Store for iOS Users**. As previously advised, users of Android devices can download the App from the **Google Play Store**.

The App provides the ability to report incidents, accidents or breaches as well as suspicious or unusual activity.

PLIPSECURE also has the following key features:

- Real Time reporting
- GPS Location of the incident can be shared
- Feedback on reports submitted
- Allows for push notifications
- Formal report submission
- Users can receive alerts regarding any threats, issues or bulletins on the Estate
- Contact numbers for all Emergency Responders (PLIPDECO and National Agencies)

Stakeholders should note that while the App can be used at any of our locations, taking of photographs on the Port is strictly prohibited.

We urge all stakeholders to continue to remain vigilant and to partner with us to keep the Port and Industrial Estate safe. If you or someone you know are in imminent danger within the parameters of the Port or Industrial Estate, please contact the **Security Services Department** at the undermentioned numbers:

Division	Mobile Number
Tactical Response Unit (TRU)	775-8545
Port Security Charge Room	290-0978

We thank you for your usual cooperation in this regard.

Sincerely,

Marketing and Business Development Department
PLIPDECO
