

NOTICE 45-2023: Restoration of Network Services at the Port of Point Lisas

November 9th, 2023

Please be advised that our network services have been restored and as a result, stakeholders can now access the following services:

- Email at the Port Complex
- SMS Bulk Messaging
- Web Access
- CONEQ Online System

Additionally, please note that we have resumed normal operations at the Port.

We regret any inconvenience which may have been caused.

Thank you again for your patience and co-operation.

Sincerely,

Marketing and Business Development Department
