

NOTICE 17-2024: Resumption of Operations at the Port of Point Lisas and Less than Container Load (LCL) Warehouse

June 30th, 2024

With the passage of Hurricane Beryl and Trinidad and Tobago being placed on a Storm Warning and Hurricane Warning respectively, operations at the Port have been temporarily suspended, while the LCL Warehouse will operate at reduced activity. A further update with projected timing for recommencement will be provided by 0900 hours on July 1st, 2024.

We urge all stakeholders to closely monitor official updates from the authorities and take all necessary precautions.

We will endeavour to resume full operations within the shortest possible time, with minimum disruptions for our customers and stakeholders.

Sincerely,

**Marketing and Business Development Department
