

NOTICE 18-2024: Resumption of Operations at the Port of Point Lisas and Less than Container Load (LCL) Warehouse

July 1st, 2024

Please note that Trinidad and Tobago remain on a Storm Warning and Hurricane Warning respectively.

As a result, major operations remain suspended. We will continue to monitor the official advisories and based on this further updates on resumption will be provided.

Our next update will be provided at 1500 hours on July 1st, 2024.

Sincerely,

**Marketing and Business Development Department
PLIPDECO**
