1. To log-in to N4, select N4 HTML

2. Enter your user name and Password

A screenshot of the Navis N4 login page. The page has a white background with the 'navis' logo at the top. Below the logo is the text 'Navis N4'. There are two input fields: 'Username' with the text 'TEST' and 'Password' with masked characters. Below the fields is a blue 'Log In' button and a 'Forgot Password?' link. Two blue arrows point from the text 'Enter your user name and Password' to the Username and Password input fields.

Note - New password: In the event your password needs to be changed, the new password must contain at least 5 characters. The password must also have at least one special non-alpha-numeric character such as #@\$_=[].

3. When you have successfully logged in, the screen below will appear allowing you to browse the system.
