

NOTICE 46-2023: DISCONTINUATION OF THE RECORDING OF SEAL NUMBERS ON CONTAINERS

November 15th, 2023

Please be advised that effective **January 1st, 2024** the Port of Point Lisas will no longer be documenting/recording individual seal numbers during vessel operations for full (import, export, transshipment) containers. The Port will however continue to ascertain seal presence and integrity while it will be the responsibility of the line/agency to confirm the accuracy of seal numbers. This new measure is expected to improve the vessel side productivity with resultant cost savings to shipping lines.
