

NOTICE 13 - 2026: Scheduled Maintenance works on Ship-to-Shore Gantry Crane #1 at the Port of Point Lisas

July 14th, 2026

Please be advised that the scheduled maintenance works on Ship-to-Shore (STS) Gantry Crane No. 1 commenced on **Monday 13th July, 2026**, and is expected to continue for approximately forty-five (45) days.

During this period, operations will be facilitated using this crane, where practicable, between **1800 hours and 0600 hours**, as well as during critical vessel operations, to minimize any disruption. The Mobile Harbour Crane (MHC 6507) will also be utilized, where applicable, to support cargo handling operations.

We apologize for any inconvenience this may cause; however, this maintenance is essential to ensure the continued reliability, optimal performance and safe operation of our equipment.

Should you require any further information or clarification, please contact:
