

NOTICE 19-2026: Temporary Interruption of Electricity Supply at the Port of Point Lisas on Sunday 20th September 2026

September 17th, 2026

Please be advised that the Trinidad and Tobago Electricity Commission (T&TEC) has advised that, due to recent interruptions to the electricity supply affecting operations at the Point of Lisas Port and 12 kV customers within the Point Lisas Industrial Estate, critical maintenance works will be undertaken on its overhead line infrastructure on **Sunday, 20th September 2026, from approximately 0900 hours to 1500 hours.**

The purpose of these works is to reduce the likelihood of similar interruptions occurring in the future. As a result, there will be a temporary interruption of electricity supply to the following locations:

- **From the triangle to the Port of Point Lisas, inclusive of Intercontinental Shipping, Arawak, all Port tenants and Savonetta Piers.**

Please note that vessel and yard operations will be affected during this period.

During this interruption, the undermentioned departments/personnel may be contacted as follows:
