

NOTICE 10-2020: Advisory Bulletin from Trinidad and Tobago Pilots Association re. COVID-19

March 18th, 2020

In light of the recent developments of the COVID-19 pandemic and in order to mitigate the negative effects associated with the virus to all port users, PLIPDECO's Management is pleased to communicate the attached advisory bulletin prepared by the Trinidad and Tobago Pilots Association (TTPA) to ensure the safe piloting of vessels wishing to gain access and egress to and from the Point Lisas Harbor.

It should be noted that the health/safety and wellbeing of all Port Users are of utmost importance and all measures have been implemented under the guidelines of the Government of Trinidad and Tobago and the Maritime Services Division to ensure same.

Kindly ensure that all requirements as outlined by the TTPA is communicated in advance to all vessels represented by your Agency, seeking to berth at the Port of Point Lisas, Savonetta Piers and ISCOTT Dock. This is to ensure that all measures are in place prior to the boarding of Pilots on the vessels to provide the required services.

Thank you in advance for your cooperation.

Sincerely,

**Marketing and Business Development Department
PLIPDECO**
