

# PLIPDECO hosts Workshop on Revised Tariff Structure

PLIPDECO's continuous engagement with its stakeholders is an example of its commitment to working with and providing the best level of quality service for its customers. With the implementation of a revised tariff structure in January 1<sup>st</sup> 2019, the Corporation hosted a tariff workshop for Shipping Lines/Agents, Importers and Exporters on May 27<sup>th</sup> 2019. The overall aim of this forum was to provide any clarification required on the tariff line items and its description and to address any matters relative to the revised tariff.

The workshop commenced with opening remarks by Mr. Harold Ragbir, Vice President, Port Operations and an overview of the various sections were provided by the respective Managers/Supervisors, as follows:

Section 1: Marine Charges - Mr. Michael Williams

Section 2: Cargo Handling (Containerised) - Mr. Clint Duncan/Mr. Deoraj Mahase

Section 3: Cargo Handling (Break Bulk) - Mr. Clint Duncan/Mr. Deoraj Mahase

Section 4: Cargo Handling (General Charges) - Mr. Clint Duncan/Mr. Deoraj Mahase

Section 5: LCL Warehouse (Import) - Mr. Christopher Bharat

Section 6: LCL Warehouse (Export) - Mr. Christopher Bharat

Section 7: Warehouse Services (FCL) - Mr. Christopher Bharat

Section 8: Security Services - Mr. Kevin Douglas

The workshop was well attended and we thank our customers for their participation.
